WEEK 163

Kiwaniis Klondike 50/50

The winning ticket drawn this week was:

0633 - \$ 712.00

The toonie wasn't played, therefore the \$ 712.00 will carry over to next week's Jackpot

Next week's Jackpot estimate is

\$1,500.00

Please UNDERLINE your sticker numbers!

*Please Note: We are having difficulty trying to decipher some of the numbers that are written on the toonie stickers, **example 1181 or 1811**, when looked at, could be one thousand, one hundred & eighty one OR one thousand, eight hundred and eleven. We wouldn't want you to lose out if we were to misinterpret a number that is ambiguous.*
